Will be using all recyclable material so we can stick to the project. [we will use recycle materials as much as we can]

WHAT ARE THE RULES FOR THIS PROJECT??

Rules :

- Do not vandalise/destroy the boxes placed
- Do not take the cardboard, if do not need it
- Take the number of box needed
- Donate stuff such like cans and bottle are to be wash before contributing to the box to prevent ants so it is able to be used

**LET'S SAVE
EARTH
TOGETHER**

HOW DO WE IMPROVE THIS PROJECT ?

- We can create a survey, and ask different questions on this idea. At the same time, we can ask them how we can improve this.

**LET'S SAVE
EARTH
TOGETHER**

WHAT ARE THE EXTRAS IDEA WE HAVE ?

Extra ideas :

- They can write their name on the recycling materials that they contribute, then by the end of the month we will pick out one recycling material from all the different boxes and pick out one from all the materials picked out and the winner will win something.
- We will place a list of papers for people to write their name on the list when they contributed something, the person who contributed the most will win something too. [they will not be able to cheat cause we will check the items in the boxes. Which means that they could write their name on the thing they have contributed before put it into the recycling box

Prizes like : using recycle plastic bottle to make a plant in a pot, pencil /pen holder , pencil case and more
