VERBATIM FEEDBACK

- ✓ Love the instructor who is humorous and not boring plus adding in the educational element of water cycle and photosynthesis. Amazing lesson! - *Joyce Leung*
- ✓ Very good lesson and initiative, looking forward to more of these event esp during the pandemic period where everyone is so isolated. Ryan is very happy to see his classmates there too. - *Joyce Leung*
- ✓ It was great fun and I like that it was interactive enough for a virtual session and helped tremendously that the facilitator was engaging and humorous. – *LiLeng*
- ✓ I think it would be great if we could have events that would appeal more to teens liking and context so they would be more keen to participate, such as virtual escape room. Please do more of such great fun bonding activities we can join with our teens. Thanks for all your efforts, hard work and time, appreciate much!!! ♥ – *LiLeng*
- ✓ Event was nicely organised. Applause to the organising committee. Awesome Job. 🙌 - *Victor*
